

SEPTEMBER 14TH 2019

QUICK STEPS TO STRUCTURE PRUNING

This training will enable you to start your trees off with less chance of having future problems. These problems may include stunted trees or removal due to tree failure. You will also learn how to promote the most tree growth with the nutrients they are provided.

Please RSVP by 9/12/2019 to ensure enough space for the class and to see if we need to have 2nd class. (limit 20 per class)
